Re: KRIZ Broadcasting, Inc. (KBI)
KRIZ(AM), Renton, WA
Facility Identification Number: 35549
Special Temporary Authority (STA)
BESTA-20181203ABV

Dear Mr. Bennet:

This is in reference to the request filed on December 3, 2018. KBI requests a further extension of the STA originally granted on June 14, 2010, to continue operating using one of the co-owned KYIZ(AM) towers pending the filing of the required FCC Form 301 application to propose a new permanent facility (due to loss of the licensed site).¹ In support of the request, we note that KBI did not yet file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and KBI may continue to operate with the following facilities:

Geographic coordinates:	47° 26' 28" N, 122° 12' 10" W (NAD 1927)
Frequency:	1420 kHz
Hours of operation:	Unlimited
Operating power:	Not to exceed 0.25 kW day, 0.125 kW night
Antenna:	KYIZ(AM) Tower (BL-20120706AFT)

¹ KRIZ(AM) is licensed for DA operation on 1420 kHz using 1 kW day and 0.5 kW night.

Radiator height
ASRN:

77.9°
1261002

KBI must reduce power or cease operations if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. KBI must file the application before or immediately after final action has been taken on the proposed AM revitalization rules (unless a request to cancel the license is filed instead).²

This authority expires on **July 28, 2019**.

Sincerely,

Joseph Szczesny
Audio Division
